

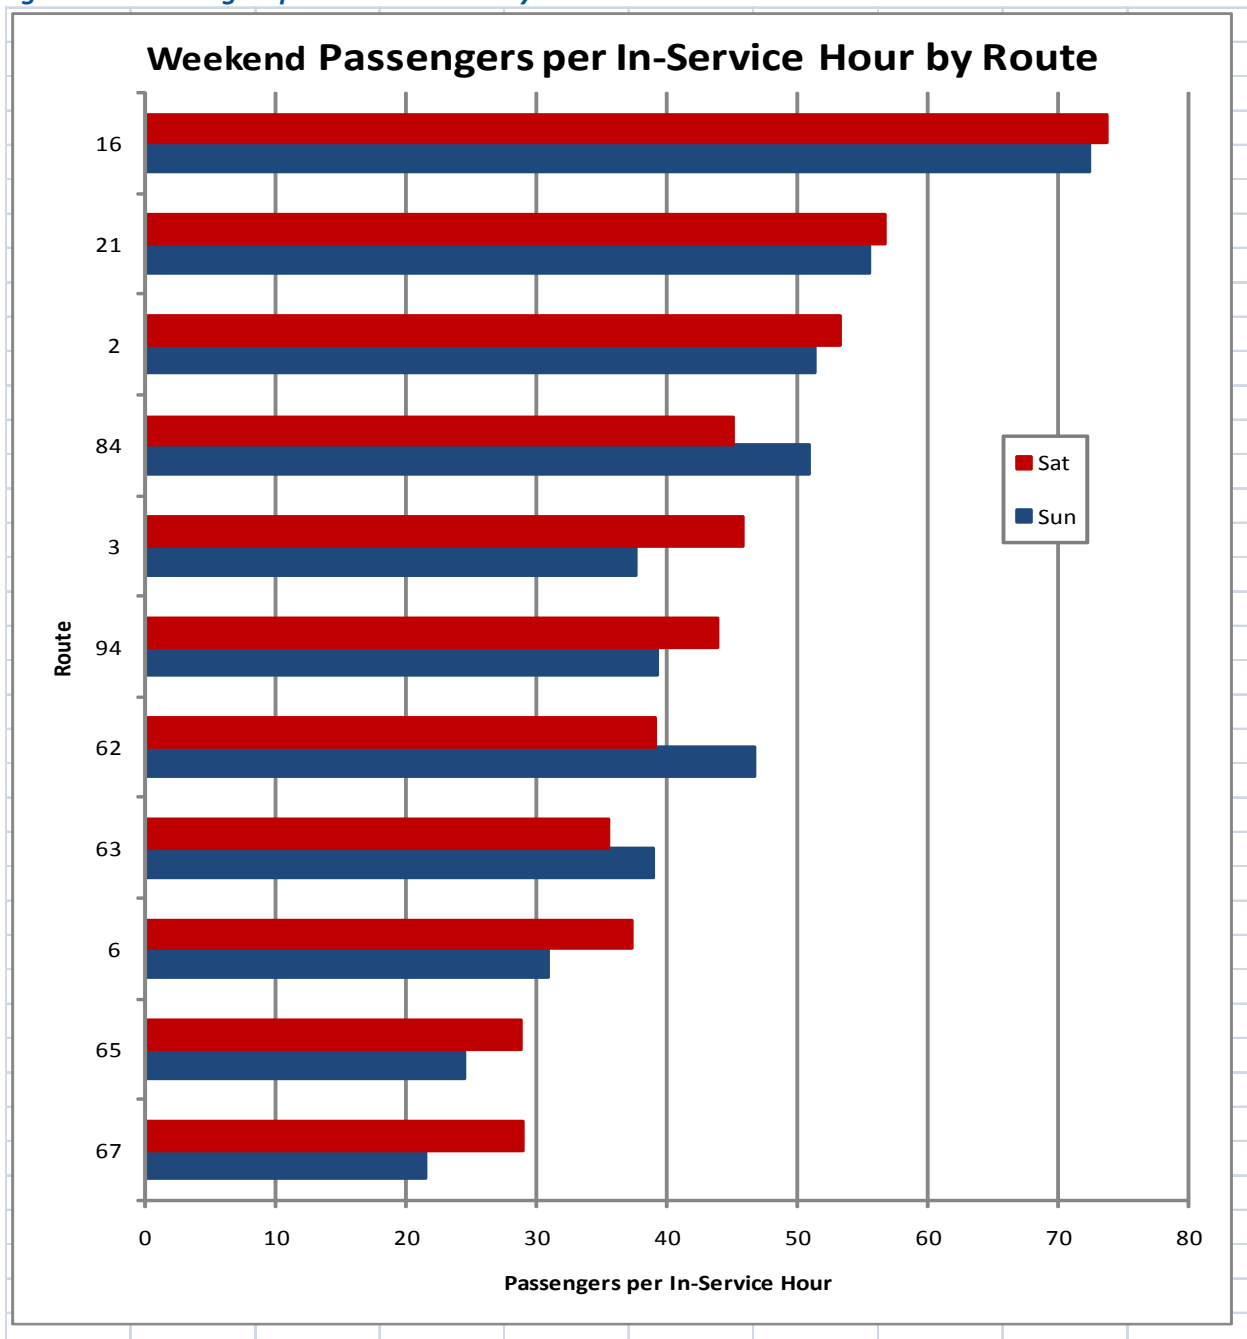

Figure 16a-Passengers per Revenue Hour by Route on Weekends - 2010

BOARDINGS BY ROUTE AND DAY OF WEEK

All day boardings per bus stop on each route for an average weekday, Saturday and Sunday during the survey period are presented in **Figure 18** – Weekday, **Figure 19** – Saturday, and **Figure 20** - Sunday.

Routes are overlaid on the land use / density map to show the correlation between boardings and population and employment densities.
