

# Route 19

## Route Information:

Route 19 will be restructured to provide continuous service on Penn Ave. between Olson Hwy. and 44th Ave, and to Brooklyn Center Transit Center. Some trips will deviate via Dowling-Thomas-42nd Ave. to serve the area currently covered by Route 5H, with a possible extension to Robbinsdale Transit Center in the future.

The restructured Route 19 will end in downtown Minneapolis. The current south end of the route on Cedar Ave. to the V.A. Hospital will be served by Route 22 instead.

Three trips in each peak will serve 36th Ave./York Ave., which is currently part of the Y branch on Route 32.

Owl service on Penn Ave. will continue to be provided by Route 5.

## Comparable Existing Routes:

Route 5, 19, 32, 721, 724
