

Route 32

Route Information:

Route 32 will serve as a Lowry Ave. crosstown route only between Robbinsdale and Rosedale Transit Center in Roseville, connecting north and northeast Minneapolis. All trips will be extended to serve Robbinsdale Transit Center on the west end of the route. Reverse-commute service between downtown Minneapolis and the industrial area along Washington Ave. will be provided by Routes 7 and 14.

The peak period service on the Route 32 Y branch will be included in the restructured Route 19.
