

METRO TRANSIT ADOPT-A-STOP PROGRAM AGREEMENT

For a period of one year from the date of this agreement, the adopting organization or individual named below agrees to adopt one or more Metro Transit bus or rail stop(s). Any active Metro Transit stop can be adopted, including stops with or without shelters, bus rapid transit, and light rail stations.

Please note that your participation is strictly on a voluntary basis; you are not considered an employee, agent, or representative of Metro Transit or Metropolitan Council, and no employment relationship is created by your involvement.

THE ADOPTER AGREES TO:

- Regularly pick up trash in and near the adopted stop, ideally once a week, and more frequently if needed to prevent snow, litter, and other debris from accumulating and becoming a nuisance.
- Contact Customer Service for pickup of any larger, heavy items, or hazardous materials such as needles or bodily fluids.
- Report graffiti, broken glass, or other damage to Customer Service as soon as possible.
- Monitor and report to Customer Service any sidewalk access and/or street snow clearance problems at the adopted stop during winter.
- Sign the Volunteer Waiver Form. Each additional volunteer must also sign the waiver. Submit all application and waiver materials to comments@metrotransit.org or by mail at Metro Transit/Adopt-A-Stop, 570 6th Avenue North, Minneapolis, MN 55411.
- Exhibit conduct that is professional and appropriate, demonstrating respect, integrity, and accountability.

METRO TRANSIT AGREES TO:

- Maintain and perform scheduled cleaning of the shelter or platform structure. Bus stops without a shelter/structure are not maintained by Metro Transit, which is why volunteers are needed.
- Provide trash bags, gloves, and safety instructions.
- Arrange for pickup and disposal of bags of collected debris from the adopted shelter in a timely manner.
- Respond within two days to all calls for assistance of heavy item pickup, graffiti abatement, hazardous materials, and snow clearance.
- Place an Adopt-A-Stop sign featuring the Adopter's name(s) on the adopted stop in recognition of the Adopter's efforts and provide monthly transit fare in the form of a Go-To Card with \$20 stored value. Adopt-A-Stop signs may not contain weblinks or phone numbers.
- Coordinate publicity efforts with the Adopter to solicit local media coverage if requested.

ADOPT-A-STOP SAFETY INFORMATION

Thank you for choosing to participate in the Adopt-A-Stop Program, which is part of Metro Transit's effort to sustain public transportation ridership, reduce pollution, and keep our community beautiful for years to come! Your contribution will help keep Metro Transit's bus or train stops safer and cleaner for everyone. Listed below are some simple cleanup guidelines. Please read them carefully before every trip to your shelter.

SUGGESTED SUPPLIES

- Brooms/rakes/shovels
- Dust pans
- Trash bags (provided by Metro Transit upon request)
- A cell phone in case of emergencies
- Water to stay hydrated

SUGGESTED ATTIRE

- Gloves (provided by Metro Transit upon request)
- Safety vest (provided by Metro Transit upon request)
- Closed-toe shoes
- Weather appropriate clothing

SAFETY CONSIDERATIONS

- Obey all traffic rules
- Minimize number of vehicles at the cleanup site
- Wear gloves
- Use a tool, such as a rake or a stick, to identify items before picking them up
- Notify Metro Transit if there are large items, dangerous items, or hazardous materials; do not clean them up yourself
- Pair up in teams if you adopted more than one shelter. Working in pairs allows volunteers to look out for one another and be more alert of any changes in their immediate environment

WHAT TO AVOID

- Do not pick up any litter on or near the roadway, on the shoulder of the roadway, or train tracks
- Do not pick up any larger or hazardous litter, including objects containing corrosive chemicals (such as car batteries), or objects that may carry harmful bacteria or disease (needles, dead animals, items with bodily fluid). Contact Metro Transit to clean up or remove
- Stay away from any broken glass, razor blades, or other objects that might cause a cut or injury to your hands
- Do not work in the dark or during inclement weather
- Do not try to pick up or move heavy tree limbs or objects
- Do not wear headsets while cleaning the shelter
- Do not overstuff trash bags or compact them
- Do not put your hands in any bagged or collected trash or recycling. Hold all bagged waste away from body to avoid possible injury (needle punctures, cuts, etc.)

HAZARDOUS MATERIALS

Volunteers must NOT pick up any objects containing harmful and/or corrosive chemicals or that may contain bacteria or disease. Please call Metro Transit Customer Relations for proper disposal.
