- Isku darida boosteejooyinka baska iyagoona loo dhaxaysiinayo masafo dhan rubuc-mayl si loo kordhiyo waxtarka safarka
- Bedelida joogsiyada gaarka ah ee ka baxsan isgoysyada calaamadaha leh si loo yareeyo dib u dhaca
- Balaadhinta aagga baarkinka la'aanta ee agagaarka joogsiyada dooro si loo hubiyo in basaska ay si buuxda u jiidayaan geesta
- Wax ka beddelka jadwalka
- Ku rakibida sagxadaha adag si kor loogu qaado inay si fudud u isticmaalaan macaamiisha
- Ku samaynta hadhadh cusub joogsiyada baska u qalma

Isbeddeladan ayaa la qorsheynayaa Agoosto 2024.
