

Coming to the east metro: METRO Gold Line

As part of the regional METRO network, the Gold Line will connect people across the region to job centers, housing options, transit stations and key destinations in the Interstate 94 corridor. The planned 10-mile Bus Rapid Transit (BRT) line will connect Saint Paul, Maplewood, Landfall, Oakdale and Woodbury generally along Interstate 94.

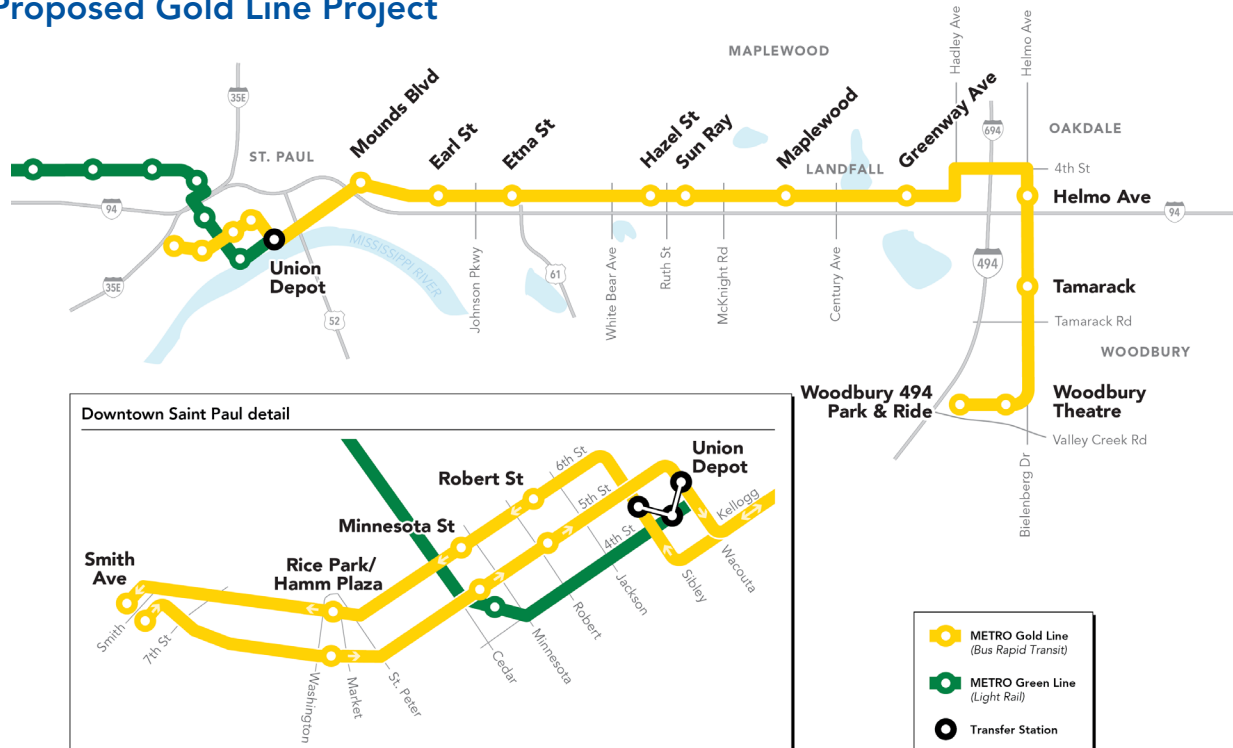

The Gold Line will be Minnesota's first BRT line that operates primarily within **bus-only lanes**. These exclusive lanes are dedicated only to transit buses and will be built north of Interstate 94.

Gold Line service will offer new opportunities for residents, employees and business owners by strengthening connections to the east metro with **21 full-amenity stations**. The Gold Line will provide **frequent, all-day service** in both directions, seven days a week, and connect Saint Paul and the eastern suburbs with the growing regional transit system.

The Gold Line is expected to begin service in 2024.

▼ Proposed Gold Line Project

METRO Gold Line Bus Rapid Transit

The Gold Line is one of 17 rapid transitways in a proposed build out of the regional METRO network designed to connect 522,000 people to 310,000 jobs with a commute time of 30 minutes or less*.

- Bus-only lanes bypass traffic congestion
- 21 new stations with frequent all-day service
- 8,000 rides a day*
- Offers four Park & Ride lots in Saint Paul, Oakdale and Woodbury
- Serves 20 percent of Twin Cities households without cars along the Gold Line

Improved stations will feature:

- Real-time arrival and departure information
- Shelters with on-demand heat, security lighting and emergency communications
- Easy and accessible boarding – walk onto the bus without having to climb steps
- Ticket machines to pay before you board
- Bike parking

*2040 projections
