

OPEN HOUSES – Downtown Saint Paul Stations & Routing

Your feedback is needed on where the proposed METRO Gold Line Bus Rapid Transit (BRT) will travel in downtown Saint Paul. Your input will help make critical design decisions.

Attend an open house to:

- Provide input on where Gold Line will travel and stop in downtown Saint Paul
- Learn more about the Gold Line project, the status and next steps
- Speak with Gold Line project staff and ask questions
- Find out how to stay engaged in the project

No formal presentation is planned. Attendees are welcome to arrive anytime.

Tues, Oct. 9

Proposed Downtown Saint Paul Routing Alternatives

ALTERNATIVE: BEGIN/END AT UNION DEPOT

The METRO Gold Line BRT will begin (eastbound) or end (westbound) on the bus deck at the Union Depot, a multimodal transportation hub that provides transfer connections to the METRO Green Line and local bus service throughout downtown Saint Paul, as well as Amtrak, Jefferson Lines, Greyhound and Megabus services. Union Depot is also the planned terminus for additional future transitways.

ALTERNATIVE: ROUTE THROUGH DOWNTOWN

The METRO Gold Line BRT will begin (eastbound) or end (westbound) at Smith Avenue Transit Center, providing a one-seat ride through downtown that will also have a stop in front of Union Depot on Wacouta and Sibley streets. Between the stops at Union Depot and Smith Avenue Transit Center, the Gold Line will route down 5th Street or 6th Street.
