

The purpose of today's open house is to provide information on the Snelling BRT line and receive input on the project.

Your feedback is important and will help shape upcoming concept design for the line.

Please write your comments below and leave this sheet in the comment box tonight, or mail or email your written comments to:

U.S. Mail: Metro Transit BRT/Small Starts Project Office

What are your overall thoughts on/impressions of Snelling BRT?

What parts of the project appeal most to you?

What concerns you as the project proceeds?
