

# Route 649

## Route Information

Route 649 will be replaced by service on the Routes 9, 25, and the new Route 645.

Riders using the I-394 and Park Place Park & Ride, as well as reverse-commuters traveling to the West End and along Wayzata Boulevard, will have a similar travel time between the West End and downtown and will have peak, off-peak and evening service seven days a week.

Route 649 riders along Cedar Lake Road will be served by Routes 9 and 25. These riders will still have a one-seat ride to downtown but their travel time will increase 16-20 minutes.
