

Hennepin County is leading the Washington Avenue Bikeway Project. H Line stations at Washington & 11th Avenue S and Washington & Chicago are in the project limits.

The County's project may change how the street looks. These changes are not reflected in this station concept. Metro Transit will coordinate with agency partners to include H Line platforms in the street design.

Scale in Feet

Washington & Chicago

Station concept

The eastbound and westbound platforms are both farside of the intersection.

Station spacing

Distance from previous station: 0.5 miles from Washington & Marquette-2nd Avenue S

Distance to next station: 0.25 miles to Washington & 11th Avenue S

Transit connections

Routes 7 and 22

Destinations

Trader Joe's grocery store and various destinations in the Downtown commercial district

Coordinated projects

This proposed station may be constructed with Hennepin County's Washington Avenue Bikeway Project (5th Avenue S to 11th Avenue S). The project may change how the street looks. These changes are not reflected in the H Line station concept. Metro Transit will coordinate with agency partners to include H Line platforms in the street design.
