Corridor Improvement Project
(City of Minneapolis)

Westbound
platform

Como Ave SE

Eastbound
platform

The City of Minneapolis is leading the Como Avenue SE Corridor Improvement Project. This H Line station is within the project limits. The City project may change how the street looks. These changes are not fully reflected in this station concept. Metro Transit will coordinate with the City to integrate H Line design with the Como Avenue project.

Click here to take our survey by May 4, 2026. Select each station you want to comment on when responding to the first question of the survey.

Station concept

The eastbound and westbound platforms are both farside of the intersection.

Station spacing

Distance from previous station: 0.4 miles from Como & 22nd Avenue

Distance to next station: 0.5 miles to Como & Eustis

Transit connections

There are no other transit routes near this location

Destinations

University of Minnesota's Como Student Community Cooperative and support facilities, and nearby businesses

Coordinated projects

The City of Minneapolis's Como Avenue SE Corridor Improvement Project is planned for 2028-2029. The project may change how the street looks. These changes are not fully reflected in the H Line station concept. Metro Transit will coordinate with the City to include H Line platforms in the street design.
