Welcome to METRO Orange Line
35W Solutions Alliance Corridor Tour
September 10, 2015

Charles Carlson
Metro Transit BRT/Small Starts Project Office
I-35W Corridor

• Most heavily-traveled express bus corridor
  – 14,000 existing bus riders each weekday on 26 routes
  – Several stations already operational

• Who are Orange Line riders?
  – Improve access to 30,000 suburban jobs
  – Better serves all-day, evening, weekend markets
  – Better serves non-downtown trips, especially to the 494 corridor
Service

• Upgrade and replace Route 535
  • 2,000+ existing daily riders
• 10-minute peak
• 15-minute midday and weekends
• 5 a.m. to midnight, 7 days/week
• 55% faster than 535 through the I-494 area
• No short lines, branches, or deviations
• Improved connecting service for better suburb-to-suburb connections

Why Not Build a Burnsville I-35W Online Station?

• Concept was developed & studied at Burnsville Pkwy
• $60M for station elements, plus road costs
• Less riders than Heart of the City
• Widen freeway
• Need to reconstruct Hwy 13 interchange
• Need to reconstruct Burnsville Pkwy bridge
• Business impacts – ROW needed
• Poor pedestrian access
• No parking
98th Street Station

- South Bloomington Transit Center
- Bloomington City Hall
- Bloomington Civic Center
- Volunteers Enlisted to Assist People (VEAP)
- Oxboro Shopping Center
- Kennedy High School
- Connections to Normandale College, Valley West, and Mall of America
