

Route 723

Route Information:

Route 723 operates between Brooklyn Center Transit Center and Starlite Transit Center. The routing is similar to the current Route 723, with an extension between North Hennepin Community College and Starlite. This extension, along with the revised Route 721, allows students to travel between the community college and technical college. The route has been streamlined south of I-94 to travel via Bass Lake Rd. and Brooklyn Blvd.; the current routing via Xerxes will be served by Route 724 instead. Route 723 serves Park Center High School and Brooklyn Junior High, and also provides off-peak service to the 65th Ave. park-and-ride lot.

Comparable Existing Routes:

Route 723, 724

Frequency:

Peak: 60 minutes
 Midday: 60 minutes
