# How to Ride

## Go-To Card

Go-To Cards offer a fast and convenient way to pay transit fares. The durable, plastic card tracks cash value and 31-day passes. Simply touch the Go-To Card to the card reader and the appropriate fare is deducted automatically.

Go-To Cards are rechargeable and are accepted on all MVTA routes and all regional regular-route buses and trains. Funds can be added to your Go-To Card online or over the phone through Metro Transit at 612-373-3333.

Call an MVTA Customer Service representative at 952-882-7500 for help planning your trip, visit [www.mvta.com](http://www.mvta.com) to find route schedules, maps and other information, or use the online trip planner.

- 1) Arrive at your stop or station 7-10 minutes early.
- 2) Most of the suburban MVTA service area does not have designated stops – meaning riders standing in a safe location should wave to signal the driver as the bus approaches.
- 3) Designated stop routes have stop locations listed in the schedule. Consult the schedule for stop information or contact MVTA Customer Service.
- 4) Pay the full fare when boarding the bus (pay when exiting southbound express buses). Drivers do not have access to the fareboxes, nor do they carry change. The farebox takes both bills and coins, but does not make change. Passes are not available for purchase on the bus. When paying in cash, ask the driver for a transfer if you'll be transferring to another bus. See Transit Fares and Passes for more information on transfers. To pay with a Go-To Card, simply touch the card to the blue device near the farebox.
- 5) Allow seniors or those with disabilities to sit in the seats closest to the driver.
- 6) While on the bus, be respectful of other riders and stay seated while the bus is in motion. No smoking or eating is allowed on the bus. The MVTA does allow drinks on buses, as long as the drinks are covered. Trash should be removed when you exit the bus. If talking on a cell phone, please use a quiet voice and keep your conversation as short as possible.
- 7) In order to exit the bus at the appropriate location, listen for the driver to announce major intersections and points where the bus connects with other routes. To signal the driver to stop, pull the cord near the window or politely notify the driver in advance of the stop. If you are unsure of where to get off, speak with the driver when boarding and he/she will assist you in exiting as close as possible to your preferred destination.

## Reading a Schedule

- Find the timetable for the correct day of week and direction of travel.
- Find the locations (TimePoints) nearest your starting point and destination. Remember that you may get on and off the bus at transit stops between the TimePoints. The TimePoint letters (1) provide a reference to the locations on the map.
- Read down from the TimePoints to see times when buses serve those locations.
- Read the times across from left to right to see when the bus will reach other locations. Each row of times from left to right represents a single bus trip.
- Refer to Route Number and Letter to ensure you catch the correct bus, and look for important notes listed in Trip Notes or next to any time.
