Reading a Schedule
1. Find the timetable for the correct day of week and direction of travel.
2. Find the locations (Time Points) nearest your starting point and destination. Remember that you may get on and off the bus at transit stops between the Time Points. The TimePoint letters (A) provide a reference to the locations on the map.
3. Read down the Time Points to see times when buses serve those locations.
4. Read the times across from left to right to see when the bus will reach other locations. Each row of times from left to right represents a single bus trip.
5. Note: Buses no longer pull into parking lots of Sam’s Club and Walmart, buses pick up/ drop off on Old Carriage Rd.
