Reading a schedule: a step-by-step guide

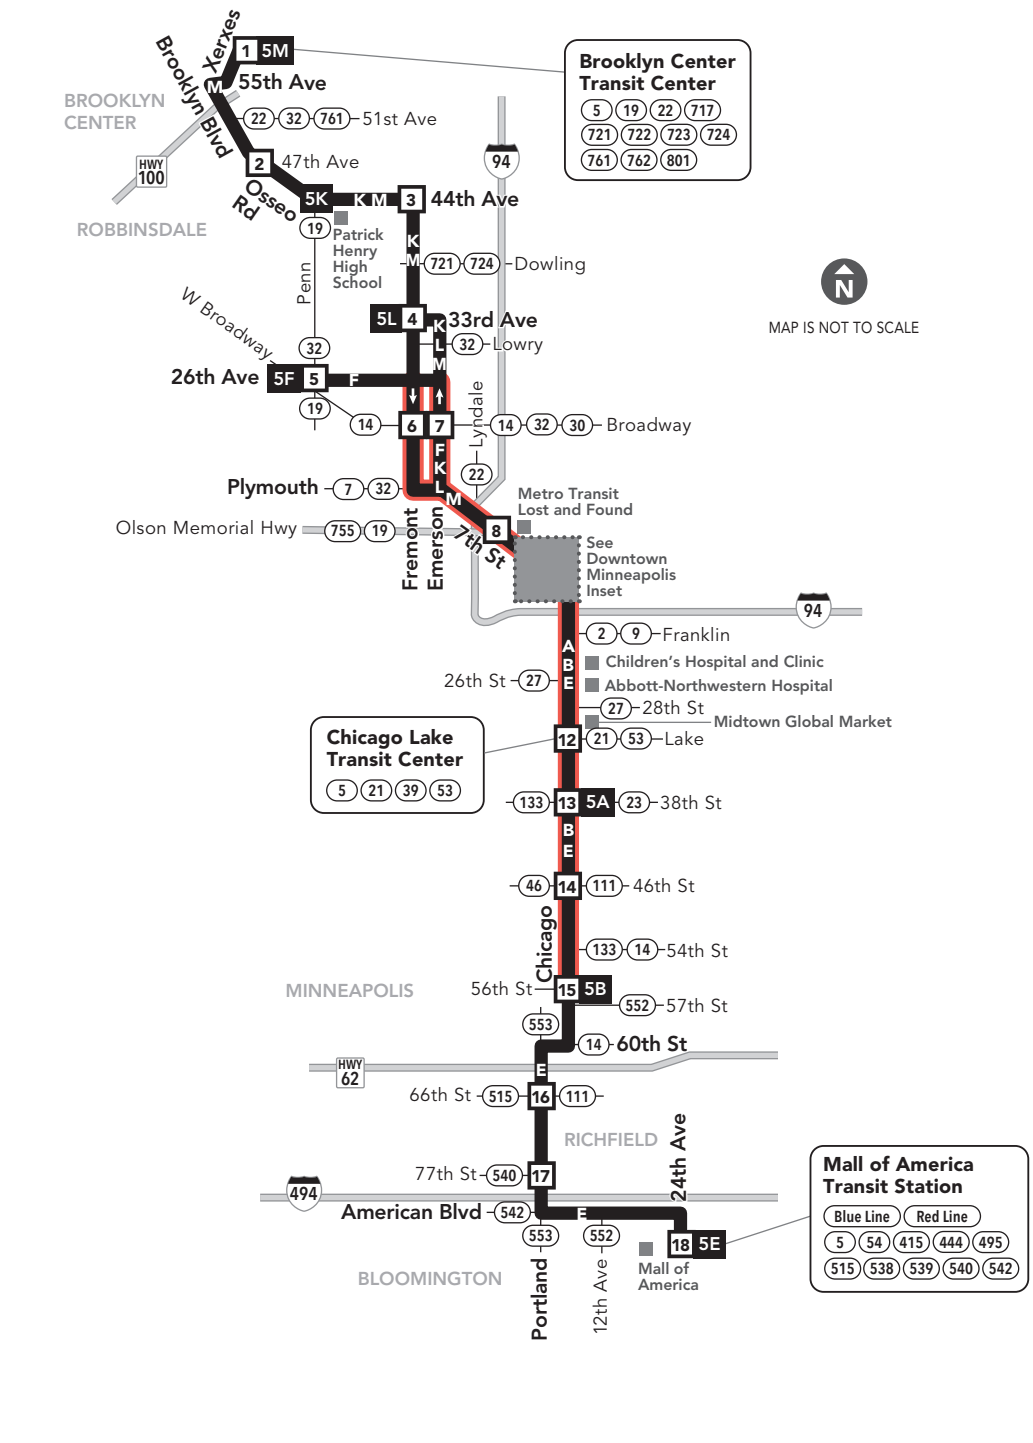

- 1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points.
3. Read down the column to see what time a bus will depart from a given timepoint.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.

Night Owl routes operate overnight between the hours of 1 am and 5 am. Routing downtown may be different from normal route. Please see map for details.

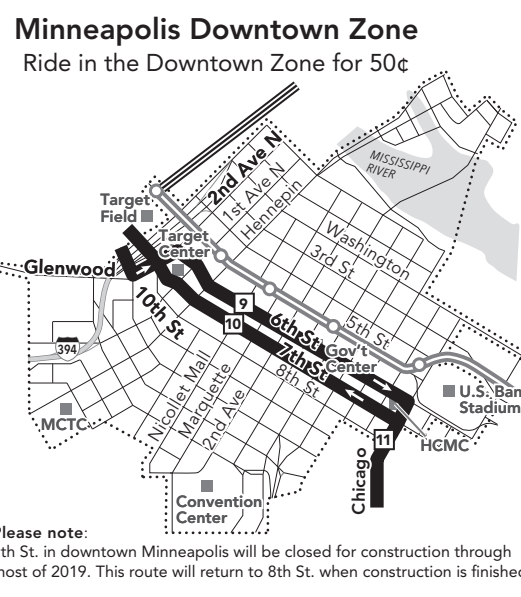

This route is part of the High Frequency network and operates at least every 15 minutes weekdays from 6 am-7 pm and Saturdays from 9 am-6 pm. See schedule for details.
