### How to Ride

1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart.
2. Watch for your bus number.
3. Pay before you board—paying will be charged with a Go-To Card, or add value to an existing card at one of these locations or online.

---

### MAKING CONNECTIONS

- Transfer between routes and METRO Lines for up to 2½ hours with your fare.

---

### Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.

---

### Reading a schedule: a step-by-step guide

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints for your proposed route. If there are timepoints between the start and end points, the bus may be between those timepoints.
3. Read down the column to see what time a bus will depart from a given stop. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that location.
