Welcome to Maple Grove Transit

Maple Grove Transit is a service offered by the City of Maple Grove providing weekday morning rush-hour express service to downtown Minneapolis with return service to Maple Grove in the afternoon rush hour.

There are five express routes serving downtown Minneapolis: 780, 781, 782, 783, and 785. Route 782 shuttle acts as a collector and transfers customers to the Route 783.

Route 782 is an express route to the University of Minnesota. Route 782 does not operate during the Winter and Summer semester breaks.

Route 781 is a shuttle route that provides midday and evening service from Maple Grove Transit Station to the other Park & Ride lots, allowing someone parked at any Park & Ride to get back downtown Minneapolis midday or evening via route 781.

Our frequent and convenient service allows for a hassle free and low-cost commute that is environmentally friendly and faster than traveling with your personal vehicle. Our clean and comfortable buses are equipped with free Wi-Fi service.

How to Ride

Call a regional transit information representative at 612-373-3333 for help planning your trip, visit www.metrotransit.org for more information, or use the online trip planner at www.maplegrovetransit.org.

Reading your Schedule:

- Lettered circles on the route maps indicate “time points.” Each time point is labeled with a letter that corresponds with the same time point in the trip timetable. Use those to gauge the best time to arrive at your bus pick-up location. Your bus may be between time points. Please be at stop five minutes early.

Maple Grove Bus Stops

In Maple Grove, there are no fixed bus stops on streets. Simply flag down your driver at any safe location along the route as he/she approaches. If it’s dark, use a small flashlight to signal the driver.

Get to your stop five minutes early.

Minneapolis Bus Stops

Our stops signify bus stop locations. All bus stops on Market East and 2nd Avenue are signed with a letter. Maple Grove (bus stops) serve the stops signed with the letter “A” on Market Street Avenue, and outbound trips serve the stops signed with the letter “M” on 2nd Avenue. Please be at your stop five minutes early.

Route numbers on Buses

Signs above the windshield and interior passenger door indicate route and trip numbers, so simply check the sign to make sure you’re getting on the right bus. Sometimes, buses are used that do not display the MCTC logo. When in doubt, check overhand signs, or ask the driver.

General Information

- Bike racks are available on all buses.
- Reduced service may be operated on the days before and after Independence Day, Thanksgiving, Christmas Eve and Christmas Day. (For details in the Connect newsletter available on buses and online prior to these holidays or Rider Alerts at www.maplegrovetransit.org.)

Free parking is available at all Park & Ride lots.

Guaranteed Ride Home

What if you need to leave work early?

It happens–kids need to be picked up; your boss asks you to work late at the last minute; there’s a family emergency and you must leave work now.

With the free Guaranteed Ride Home Program, Maple Grove Transit riders never have to worry about being stuck at work, when they really need to be somewhere else.

Participants can use a Guaranteed Ride Home up to four times per year or $100 in value, whichever comes first. Use it in a bus or train and we’ll reimburse your Go-Card or pass for the fare you paid.

Take a bus, share-a-ride, transportation network company (Silen, Lift, etc.) or a car rental trip, and you’ll be reimbursed for the cost of the ride after you submit the receipt.

Guaranteed Ride Home will give you peace of mind, but you must be registered to participate.

Have a Pleasant Journey

Follow these rules and guidelines to make everyone’s ride better.

CARRY ON ITEMS PACKAGES

- Please hold all carry-ons or put them on the floor by your feet. Keep aisles clear and do not use empty seats for your packages. Drivers can refuse service to riders whose items present a safety hazard or cause inconvenience to other passengers.

CELL PHONES

- Out of courtesy to others, please set your phone to vibration, or to ring quietly. Please limit the length of your calls, and keep your voice low so you do not create noise with other riders.

CONVERSATIONS

- When talking with other riders on the bus, please keep your voice low as not to disturb others. Do not carry on conversations with the driver.

HEADPHONES

- Keep headphones at a low volume level to keep from disturbing fellow passengers.

Bus Exiting Procedures

- Fold up chairs, take packages, and exit fully before flagging down another vehicle. This will ensure that all passengers have an opportunity to exit the bus.

Capacity Disclaimer

Maple Grove Transit (MGT) will not guarantee that every passenger who boards at the park and ride facilities will be able to obtain a parking stall. The number of parking stalls is a fixed quantity and are available on a first come, first served basis. MGT cannot guarantee that every passenger who desires to take a specific bus will be able to do so due to being too late to find a parking place and standing capacity. Bus use is available on first come, first served basis.
