**Go-To Cards**

A refillable Go-To Card is the most convenient way to travel by transit. Buy a Go-To Card or add value to an existing card at one of these locations or online:

**BROOKLYN CENTER**
- Cub Foods: 3325 Co Rd 10

**MINNEAPOLIS**
- Metro Check Cashing: 2211 Lowry Ave N
- Metro Transit Service Center: 719 Marquette Ave
- U.S. Bank: 727 Marquette Ave

**North Minneapolis**
- Go-To Cards: buy, add value, check your balance or enroll in Auto Refill
- Lockers are also available for rent.

**How to Ride**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. METRO buses do not have bendstors or Go-To Card readers. Pay BEFORE you board; touch your card to a reader or buy a ticket from the machine at the station.
3. Push the blue button to open doors (trains only). Board through any door.
4. Colored METRO lines (Blue, Green, Red) stop at every station. Labeled lines (A & C) stop at stations on demand and when customers are present.

**Local Buses**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Watch for your bus number.
3. Pay for your fare on board.
4. Pull the cord above the window about 1 block before your stop to signal the driver.

**Making Connections**

Transfer between buses and trains for up to 2½ hours with your fare. When using a Go-To Card or pass, your transfer is embedded. On a METRO line, touch your card to the reader BEFORE boarding. On a local bus, touch your card to the reader as you board.

When using a ticket, have your ticket ready to show to Transit Police as proof of payment for transfer between another METRO Line.

To transfer from a METRO Line to a local bus, show your METRO ticket to the bus driver as you board. Do not insert a METRO ticket in the farebox.

Those who try to ride without paying a fare will be charged with a misdemeanor and fined $185.

**Reading a schedule: a step-by-step guide**

1. **Find the schedule for the day of the week and the direction you plan to travel.**
2. **Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between two timepoints.**
3. **Read down the column to see what time a bus will depart from a given terminal. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.**

**Not all stops are shown on this timetable.**

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at [metrotransit.org](http://metrotransit.org)
