**Reading a schedule: a step-by-step guide**

1. Find the schedule for the day of the week and the direction you plan to travel. 
2. Look at the map and find the timepoint nearest your trip start and end. 
3. Read down the column to see what time the bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, this does not serve that timepoint.

**How to Ride**

**BUSES**

1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart. 
2. Watch for your bus number, except for Fly-Em Exit routes. 
3. Pull the card down in the window about 1 block before your stop to signal the driver.

**METRO LINES**

1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart.
2. Pay BEFORE you board—touch your card to the reader on the platform or bus before the ticket is dispensed.
3. Pull the blue button to open doors (there are only 2) through any door.
4. Color METRO lines (Blue, Green, Red) stop at every station and bus stops. Download the free app on Google Play or iTunes.

Service may be reduced on days before or after Independence Day, Thanksgiving, Christmas or New Year’s Day. Look for details at metrotransit.org or in Connect on buses and trains prior to these holidays.

**This schedule is subject to change.** Traffic and weather conditions may cause delays. Buses may arrive up to 20 minutes later than shown in the schedule. Metro Transit reserves the right to adjust routes, hours or frequency or to cancel service in winter weather at its discretion.
