Reading a schedule: a step-by-step guide

- Find the schedule for the day of the week and the direction you plan to travel.
- Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
- Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.
