Reading a schedule: a step-by-step guide

- Find the schedule for the **day of the week** and the **direction** you plan to travel.
- Look at the map and find the **timepoints** nearest your trip start and end points. Your stop may be between timepoints.
- Read down the column to see what **time** a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.
