**How to Ride**

**BUSES**
1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart.
2. Watch for your bus number.
3. Pay your fare as you board, except for Pay Exit routes.
4. Pull the cord above the window about 15 blocks before your stop to signal the driver.

**METRO LINES**
1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart.
2. Pay BEFORE you board—touch your METRO CARD to the reader or buy a ticket from the machine.
3. Push the blue button to open doors (transit-only)
4. Colored METRO lines (Blue, Green, Red) stop at every station. Lettered lines (A & C) stop at stations on demand and when customers are present.

### Making Connections

Transfer between buses and METRO lines for up to 250 hours with your fare. Those who try to ride without paying will be charged with a misdemeanor and fined $10.

### Reading a schedule: a step-by-step guide

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timetables nearest your trip start and end points. Your stop may be between timetables.
3. Read down the column to see what time a bus will depart from a given timetable. Read across a row to see when the bus will reach another timetable. If the time is blank, that trip does not serve that timetable.

### Not all stops are shown on this timetable

Use the timetables on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip-planning tools at metrotransit.org.
