Welcome to Maple Grove Transit

Maple Grove Transit is a service offered by the City of Maple Grove providing weekday morning rush-hour express service to downtown Minneapolis with return service to Maple Grove in the afternoon rush hour.

There are five express routes serving downtown Minneapolis: 780, 781, 782, 783, and 785. Route 780 shuttle acts as a collecter and transfers customers to the Route 783. Route 780 is an express route to the University of Minnesota. Route 789 does not operate during the Winter season due to bitter weather breaks.

Our frequent and convenient service allows for a hassle free and low-cost commute that is environmentally friendly and faster than traveling with your personal vehicle. Our clean and comfortable buses are equipped with free Wi-Fi service.

How to Read

Call a regional transit information representative at 612-373-3333 for help planning your trip, visit www.maplegrovetransit.org for more information, or use the online trip planner at www.metrotransit.org.

Reading Your Schedule

Lettered circles on the route maps indicate “time points.” Each time point is labeled with a letter that corresponds with the same time point in the trip timetable. Use these to gauge the best time to arrive at your bus pick-up location. Your bus stop may be between time points. Please be at your stop five minutes early.

Maple Grove Bus Stops

In Maple Grove, there are no sign on bus stops on streets. Simply flag down your driver at any safe location along the route as the bus approaches. If it does, turn on a small flashlight to signal the driver. Get to your stop five minutes early.

Minneapolis Bus Stops

Bus stops signs indicate bus stop locations. All bus stops on Marquette and 2nd Avenue are signed with a letter. Maple Grove bus stops are signed with the letter “O” on Marquette Avenue, and outbound trips serve the stops signed with the letter “M” on 2nd Avenue. Please be at your stop five minutes early.

Route numbers on Buses

Signs above the windshield of the driver indicate route number and trip number, so simply check the sign to make sure you’re getting on the right bus. Sometimes, buses are used that do not display the MGT logo. When in doubt, check overhead signs, or ask the driver.
