**It's easy to ride – here's how:**

**RED LINE**

1. **Arrive at your station at least five minutes before the scheduled departure time.**
2. **Check the sign above the windshield to make sure it's the correct bus.**
3. **Pay your fare as you board.** If paying in cash, or with a SuperSaver or transfer, enter through the front door. If paying with a Go-To Card, board through either door and touch your Go-To Card to the reader.
4. **Take a seat, making sure to place bags on your lap or under your seat rather than on the seat next to you.**
5. **Red Line buses serve all stations.** As you approach your stop, collect your belongings. At the station, please exit through the back door if possible.

**GO-TO CARD**

Connections between METRO lines and other routes are easiest with a Go-To Card or pass. Your transfer is automatically embedded on your card but you must touch your card on platform before boarding Blue Line. Keep your transfer handy and show it to a Transit Police officer if asked. Touch Go-To card to reader on platform before boarding Blue Line. Transfers are valid for unlimited rides on METRO lines and buses for 2½ hours from time of issue.

Those who try to ride without paying a fare will be charged with a misdemeanor and fined $180.

**Reading a schedule: a step-by-step guide**

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Find the trip numbers nearest your origin and destination. Trip numbers are shown on the route map. Stops may be between trip points.
3. Read downward in a column to see times when a trip will be for a given trip point. Read the times across to right to see when the trip reaches other trip points. If no time is shown, that trip does not serve the area of that trip point.
