### Reading a schedule: a step-by-step guide
1. **Find the schedule for the trip that fits your needs** and the direction you plan to travel.
2. **Look at the map and find the trip points nearest your trip** and the trip points nearest the trip points. Your stop may be between trip points.
3. **Read down the column to see what time a bus will depart from a given trip point.** Read across a row to see what the bus will reach another trip point. If the time is blank, that trip does not serve that trip point.

### Not all stops are shown on this timetable.
Use the trip points on the map and the schedule to estimate the arrival of your bus. For details, call Metro Transit Information at 612-373-1600, or see the online trip planner at metrotransit.org.
