### Reading a schedule: a step-by-step guide

1. **Find the schedule for the day of the week for the trip you plan to travel.**
2. **Look at the map and find the timepoints nearest your trip start and end points. Your trip may be between timepoints.**
3. **Read down the columns to see which time a bus will depart from a given timepoint. Read across a time to see when the bus will reach your stop.**

### Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For a more accurate arrival time, explore our interactive map and trip planning tool at metrotransit.org.
