Reading a schedule: a step-by-step guide

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

Go-To Card Retail Locations
A refillable Go-To Card is the most convenient way to travel by transit! Buy a Go-To Card or add value to an existing card at one of these locations or online.
