**Reading a schedule: a step-by-step guide**

1. **Find the schedule** for the day of the week and the direction you plan to travel.
2. Look at the map and note the times to the nearest trip arrival and departure. Trip times may be between stations.
3. Read across the column to see what time a bus will depart from a given timepoint. Read across now to see when the bus will reach another timepoint. If the time is a clock, that trip does not serve that timepoint.

---

**How to Ride**

**BUSES**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Watch for your bus number.
3. Pay your fare before you board, except for Fly-By routes.
4. Pull the card above the window about 1 block before your stop to signal the driver.

**METRO LINES**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Pay on board—touch your card to the reader on the platform or bus ticket from the machine.
3. Push the blue button to open doors (primarily only). Board through any door.
4. Color-coded METRO lines (Blue, Green, Red) stop at stations on demand and when customers are present.

**MAKING CONNECTIONS**

Transfers between Metro Transit lines is for up to 2½ hours with your fare.
