**Reading a schedule:**

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and endpoints. Your stop may be between timepoints.
3. Read down the column to see where a bus will depart from a given timepoint. Read across a row to see when the bus will arrive at your next timepoint. If the time is blank, that trip does not serve that timepoint.
