Reading a schedule: a step-by-step guide

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across the map to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

How to Ride

**BUSES**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Pay your fare as you board, except for Pay Exit routes.
3. Pull the cord above the window about 1 block before your stop to signal the driver.
4. Pull the cord above the window about 1 block before your stop to signal the driver.

**METRO LINES**

1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Pay BEFORE you board—touch your card to a reader on the platform or buy a ticket from the machine.
3. Push the blue button to open doors (trains only).
4. METRO LINK line stops at every station. METRO BRT line stops at stations on demand and when customers are present.

MAKING CONNECTIONS

Transfer between buses and METRO lines for up to 2½ hours with your fare. Those who try to ride without paying may be subject to a fine.
