Use the timetables on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tool at metrotransit.org.

Reading a schedule: a step-by-step guide

1. Find the schedule for your direction and the route number & letter.
2. Look at the map and find the stops you need to visit.
3. Read down the columns to estimate your arrival time at each stop.
4. If the time is shaded, that trip does not serve that stop.
5. Use that service to determine your estimated arrival time for each stop.
6. Repeat until you reach your destination.

Not all stops are shown on this timetable.
