4. Pull the cord above the window about 3 blocks before your stop to signal the driver.

METRO LINES

2. Pay before you board—touch your card to the reader on the platform or buy a ticket from the machine.
3. Push the blue button to open doors (trains only).
4. METRO LRT lines stop at every station. METRO BRT is not stop at stations on demand and when customers are present.

MAKING CONNECTIONS
Transfer between buses and METRO lines for up to 2½ hours with your fare.
Those who try to ride without paying may be subject to a fine.

Reading a schedule: a step-by-step guide

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints you need to start and end your trip. Your trip may be between timepoints.
3. Read down the column to see what time the bus will depart from a given location. Read across a row to see when the bus will reach another location. If the time is shaded, that timepoint does not serve that timepoint.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus.

All buses and trains have bike racks so you can bring your bike along.
