2. Pay before you board—touch your card to a reader on the platform or buy a ticket from the machine.
3. Push the button to open doors (trans only).

4. METRO lines stop at every station. METRO BRT lines stop at stations on demand and when customers are present.

MAKING CONNECTIONS
Transfer between buses and METRO lines for up to 2½ hours with your fare.

Those who try to ride without paying may be subject to a fine.

Reading a schedule: a step-by-step guide
1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between two timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

Use the index on the map and the schedule to estimate the arrival of your bus. Use all Transit Information or explore our interactive map and trip planning tools at metrotransit.org.
