Reading a schedule:
a step-by-step guide

- Find the schedule for the **day** of the week and the **direction** you plan to travel.
- Look at the map and find the **timepoints** nearest your trip start and end points. Your stop may be between timepoints.
- Read down the column to see what **time** a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.
