**Reading a schedule: a step-by-step guide**

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

**Not all stops are shown on this timetable.**

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.

**Metro Transit Mobile App**

Now you can plan your trip, see arrival information for bus and trains and buy transit tickets all on the go! Download the free app on Google Play or iTunes.

**This is a Pay Exit route.** On stops having downtown or the U of M, pay your fare at your destination. The time you exit the bus determines the fare amount.

**Go-To Card Retail Locations**

A refillable Go-To Card is the most convenient way to travel by transit! Buy a Go-To Card or add value to an existing card at one of these locations or online.
