Use the timetables on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.

**Reading a schedule: a step-by-step guide**
1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timetables nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given stop. Read across a row to see when the bus will reach another stop. If the time is blank, that trip does not serve that timepoint.

**All buses and trains have bike racks so you can bring your bicycle along.**
Look for instructions on the rack. Lockers are also available for rent. Details at metrotransit.org/bike.
