**Reading a schedule: a step-by-step guide**

1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

**Not all stops are shown on this timetable.**

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.

**Metro Transit Mobile App**

Now you can plan your trip, see arrival information for bus and trains and buy transit tickets all on the go! Download the free app on Google Play or iTunes.

**How to Ride**

1. Arrive 5 minutes before the schedule or NextTrip says your trip will depart.
2. Metro buses do not have fareboxes or Go-To Card readers. Pay before you board – touch your card to a reader or buy a ticket from the machine at the station.
3. Push the blue button to open doors (trains only). Board through any door.
4. Metro Blue & Green lines stop at every station. Red, Orange, & C lines stop at stations on demand and when customers are present.

**MAKING CONNECTIONS**

Transfer between buses and trains for up to 2½ hours with your fare.

When using a Go-To Card or pass, your transfer is embedded on your Go-To Card. Be ready to show your card to the reader before boarding. On a local bus, touch your card to the reader as you board. When using a ticket, have your ticket ready to show to Transit Police as proof of payment for transfer between another Metro Transit line.

To transfer from a Metro Line to a local bus, show your Metro ticket to the bus driver as you board. Do not insert a Metro ticket in the farebox.

Those who try to ride without paying a fare will be charged with a misdemeanor and fined $160.
Holiday service operates on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas. Service may be reduced on days before or after Independence Day, Thanksgiving, Christmas or New Year's Day. Look for details at metronetlink.org or in Connect on buses and trains prior to these holidays.

This schedule is subject to change. Traffic and weather conditions may delay buses.
