How to Ride

**BUSES**
1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Watch for your bus number.
3. Pay your fare on the bus, except for Pay Exit routes.
4. Pull the cord above the window about 1 block before your stop to signal the driver.

**METRO LINES**
1. Arrive 3 minutes before the schedule or NexTrip says your trip will depart.
2. Pay BEFORE you board—touch your card to a reader on the platform or buy a ticket from the machine.
3. Push the blue button to open door (train only).
4. METRO LRT lines stop at every station. METRO BRT lines stop at stations on demand and when customers are present.

**MAKING CONNECTIONS**
Transfer between buses and METRO lines for up to 2 hours with your fare. Those who try to ride without paying may be subject to a fine.

Reading a schedule: a step-by-step guide
1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the stop nearest your trip start and end points. Your step key may be between timepoints.
3. Read down the column to see what time a bus will depart from a given stop. Read across a row to see when the bus will reach another stop. If the time is blank, that route does not serve that stop.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrottransit.org.
