METRO LINES

2. Pay BEFORE you board—touch your card to a reader on the platform or buy a ticket from the machine.
3. Push the blue button to open doors (trains only).
4. Colored METRO lines (Blue, Green, Red, Orange) stop at every station. Lettered lines (A & C) stop at stations on demand and when customers are present.

Those who try to ride without paying will be charged with a misdemeanor and fined \$180.

Reading a schedule: a step-by-step guide

- 1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points. Your stop may be between timepoints.
3. Read down the column to see what time a bus will depart from a given timepoint. Read across a row to see when the bus will reach another timepoint. If the time is blank, that trip does not serve that timepoint.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus. For details, call Transit Information or explore our interactive map and trip planning tools at metrotransit.org.
