

Route 63

REVISED February 2014

Route Information:

Route 63 will be extended from Grand Ave. and the University of St. Thomas to the Raymond Ave. Station via Cretin/Vandalia Ave. and University Ave. The route will continue to serve Maplewood, Sun Ray, and the east side of St. Paul via E. 3rd St. The routing in downtown St. Paul remains unchanged. Buses will operate on Grand and Cretin Ave, not Summit or Cleveland Ave.

Route 63 will have a key function as a parallel feeder route to the Green Line, connecting with trains at the Raymond Ave. Station and in downtown St. Paul. Timed connections will also be planned with routes 16, 67 and 87 at the Raymond Ave. Station for local travel needs, such as between college campuses.

The frequency and span of service will be improved, especially Grand Ave. Sunday service.

Comparable Existing Routes:

Route 63
