# Franklin Avenue Station Renovation

[metrotransit.org/franklin](https://metrotransit.org/franklin)

## Help Shape the Future of Franklin Avenue Station

The METRO Blue Line's Franklin Avenue Station, opened in 2004, is undergoing a major renovation to address aging infrastructure, frequent elevator outages, worn components, and community safety concerns. As part of this effort, we are working with the community to assure the station's design reflects the neighborhood and the people it serves.

Design began in Fall 2025. Construction is scheduled to begin Spring 2027.
