

Transit Oriented Development on Metro Transit Land

ULI MN Technical Assistance Panel

Join the **Metro Transit Office of Transit Oriented Development** and **Urban Land Institute Minnesota** for a Technical Assistance Panel exploring transit oriented development (TOD) opportunities on Metro Transit-owned land.

The Metro Transit TOD Office has identified sites around the region that have potential for transit oriented development. This Technical Assistance Panel will offer a private-sector perspective on which sites have development potential, and how public entities can partner with private developers to further TOD in the region.

Box lunches provided.

The panel will feature:

- John Breitingner - Cushman & Wakefield
- Stuart Ackerberg - The Ackerberg Group
- Katie Anthony - Schafer Richardson
- Patrick Daly - Ryan Companies
- Erika Dani - Artspace
- Diana Dyste - CommonBond Communities
- Philip Cattanach - Opus
