

Isbeddel sannado badan ah oo lagu sameeyo Leenka Buluuga ah ee METRO ayaa socda!

20 sano oo adeeg ah kadib, Leenka Buluuga ah ee METRO wuxuu diyaar u yahay hagaajinta loo baahan yahay, kor u qaadida, iyo dayactirka kale ee muhiimka ah. U diyaargarow weji kasta oo baro mashaariicda iyo hagaajinta loo qorsheeyay marinka.

Renew the Blue waxaa ka mid ah mashaariicda soo socota:

Jidka tareenka iyo Calaamadaha
(U xirida Leenka Buluuga si buuxda si loo dayactiro)

Dib u cusboonaysiinta boosteejada Lake St./Midtown

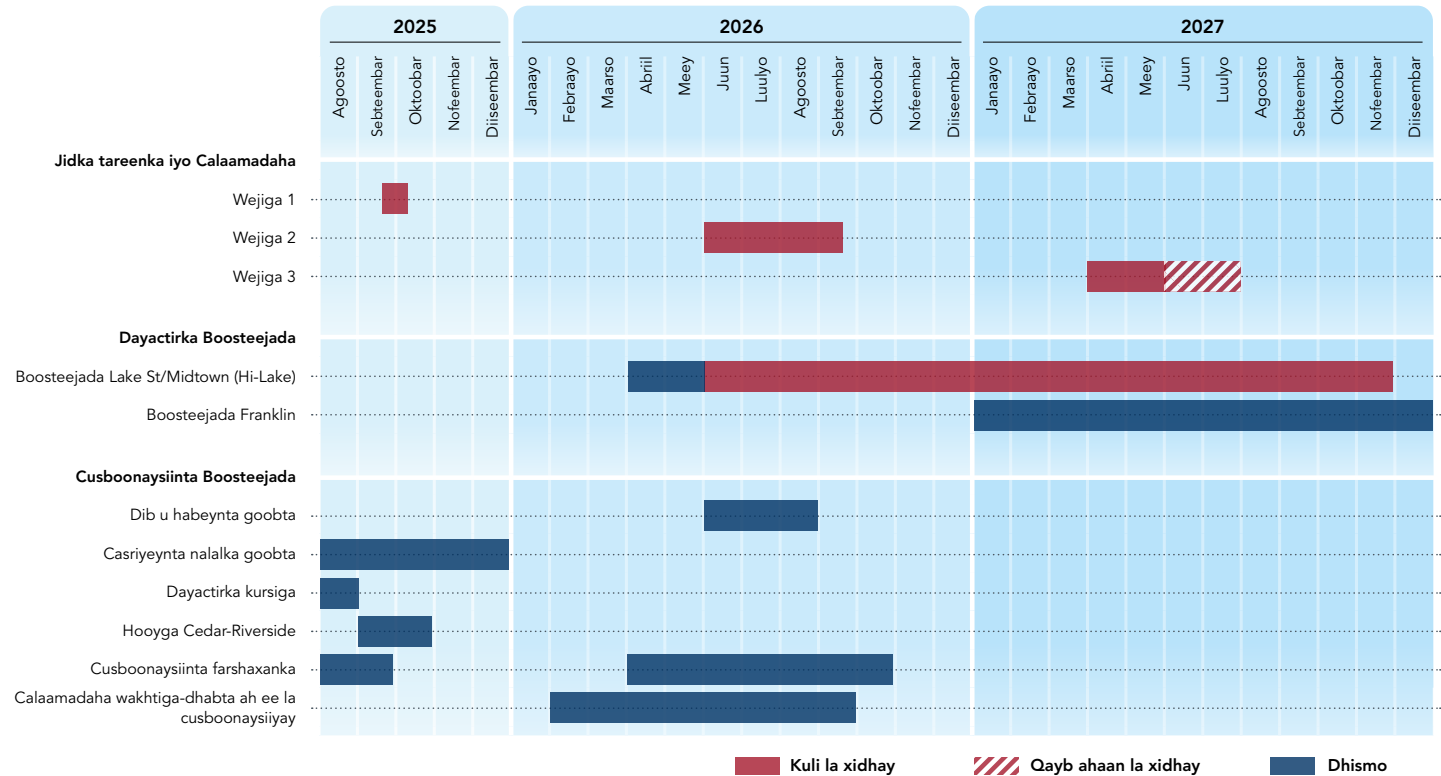

Dayactirka Boosteejada Franklin

Boosteejadaada, La Cusboonaysiiyay
(Casriyaynta boosteejada/goobta)

Renew the Blue waxay ilaalin doontaa qayb muhiim ah oo ka mid ah nidaamkeena gaadiidka, iyadoo ilaalinaysa nabada, la isku halayn karo, oo la awoodi karo bulshooyinka ay u adeegto sannado badan.

Muddada 3-sano ee dhammaan mashaariicda Renew the Blue

Jadwalku wuu isbedeli karaa
