MVTA customer representatives can answer your questions about routes, schedules and fares; mail you a free, postage-paid order form; call 952-882-7500 for more information.

Call an MVTA Customer Service representative at 952-882-7500 to plan your trip, get rush hour information, check real-time schedules, get information on transfers, maps and other information, or use the on-line trip planner.

1) Arrive at your stop or station 7-10 minutes early.  
2) Most of the suburban MVTA service area does not have designated stops – traveling standing in a safe location should wait for the driver as they approach.
3) Designated stop routes have stop locations listed in the schedule. Consult the schedule for stop information or contact MVTA Customer Service.  
4) Pay the full fare when boarding the bus (pay when entering suburban express buses). Drivers do not make change.  
5) While on the bus, be respectful of other riders and stay courteous, so that others feel comfortable. This includes no smoking or eating is allowed on the bus. The MVTA does allow drinks on buses, as long as the drinks are covered. Trash should be removed when you exit the bus. Standing on a cell phone, please use a quiet voice and keep your conversation as short as possible.
6) In the event of severe weather, MVTA often operates with a reduced schedule on local routes will not operate. Review the MVTA Snow Line Guide at www.mvta.com for more information.

**Reading a Schedule**

1. Find the timetable for the correct day of week and direction of travel.
2. Find the location (TimePoint) nearest your starting point and destination. Remember that you may get on and off the bus at intermediate stops between TimePoints. The Timetable format provides a reference to the locations on the map.
3. Read down from the TimePoint to see times when buses serve those locations.
4. Read the times across from left to right to see when the bus will reach each location. Each trip from TimePoint to right represents a single bus trip.
5. Refer to route numbers and locations to learn what bus will serve the location you are interested in.
