Go-To Card
Go-To Cards are a convenient and cost-effective way to pay for transit fare. The durable, plastic card makes cash and coins a thing of the past. You will need to touch the Go-To Card to the card reader and the appropriate fare is deducted automatically.

To Go Cards are rechargeable and are accepted on all MVTA routes and all regional regular-route buses and trains. Funds can be added to your Go-To Card online or over the phone through Metro Transit at 612-373-3333.

Where to buy Go-To Cards

- Cub Foods, 100 E Highway 13
- Cub Foods, 11510 Cedar Avenue S
- Cub Foods, 1745 S 3rd Ave

  - Eagan: Eagan Transit Station, 200 4th Ave W
  - Cottage Grove: Marschall Road Transit Station, 300 E Travelers Trail

Go-To Cards are rechargeable and are accepted on all MVTA routes and all regional regular-route buses and trains. Funds can be added to your Go-To Card online or over the phone through Metro Transit at 612-373-3333.

Getting Information

MVTA customer representatives can answer your questions about routes, schedules, and fares. Call 952-882-7500.

Bike Information

All MVTA buses have bike racks to carry two bicycles while customers ride the bus. A brochure describing use of the racks is available online at www.mvta.com or at stops where racks are available.

Accessibility

MVTA serves people with disabilities. Most MVTA buses are equipped with kneeling buses, ramps or lifts. Riders should notify the driver in advance of the stop. If you are unsure where the bus connects with other routes, to signal the driver to use the connection time of 7 to 10 minutes is suggested.

**Bus Route**
- Route 475 operates on any route along the path of the route.

**Non-stop Bus Route**
- Buses do not make stops on this portion of the route.

**Major Connections Points**
- Park & Ride lot: park for free while
- BikeLocks: safely store your bike
- Bus Stop: located with other facilities within a 25 ft.

**Reading a Schedule**

1. Find the timetable for the correct day of week and direction of travel.
2. Find the location (TimePoint) nearest your starting point and destination.
3. Determine if you may get on and off the bus at transit stops between the TimePoint letters.
4. The TimePoint letter (s) are the reference for the location on the map.
5. Route times from the TimePoint to see times when buses serve those locations.
6. The time across from left to right is what time the bus will reach each destination.
7. Each one of those from left to right represents a single trip bus.
8. Refer to the schedule and times to see the correct bus and look for important note such in Trip Notes.
