Route 436M will serve these locations.

1) Arrive at your stop or station 7-10 minutes early.
2) Most of the suburban MVTVA service area does not have designated stops — meaning riders standing in a safe location should wave to signal the driver as the bus approaches.
3) Designated stop routes have stop locations listed in the schedule. Consult the schedule for stop information or contact MVTVA Customer Service.
4) Pay the full fare when boarding the bus (pay when exiting southbound express buses). Drivers do not have access to the fareboxes, nor do they change change. The farebox takes both coins and bills, but does not make change. Passes are not available for purchase on the bus. When paying in cash, ask the driver for a transfer if you’re transferring to another bus. See Transit Fares and Rates for more information on transfers. To pay with a Go-To-Card, simply touch the card to the blue device near the farebox.
5) Allow seniors or those with disabilities to sit in the seats closest to the driver.
6) While on the bus, be respectful of other riders and stay seated while the bus is in motion. No smoking or eating is allowed on the bus. The MVTA does allow drinks on buses, as long as the drinks are covered. Trash should be removed when you exit the bus. If talking on a cell phone, please use a quiet voice and keep your conversation as short as possible.
7) In order to exit the bus at the appropriate location, listen to the driver as the bus approaches.
8) To signal the driver to stop, pull the cord near the window or politely notify the driver in advance of the stop. If you are unsure of where to get off, speak with the driver when boarding and he/she will assist you in exiting as close as possible to your preferred destination.
