Call an MVTA Customer Service representative at 952-748-5000 or see www.mvta.com/routeshop to schedule, make, or modify your transfers online or over the phone.

• Ask your driver for a transfer when paying your fare in cash. Transfers are built into the fare for MVTA customers.
• Transfers are not available in local routes.
• Transfers are valid as long as the fareboxes, nor do they carry change. The farebox takes both bills and coins, but does not make change.

To ensure that you are at the appropriate location, inform the driver of which trip you are getting off of. Do not try to miss the bus. If you are unsure of the trip number, simply ask the driver for assistance.
