Transit Fares and Passes

Cash Fares
Go-To Card

- Go-To Card offers a cost-effective way to pay transit fare. The reusable card tracks cash fare and 10-pass rules, simply press the correct fare on the card reader and exit when the appropriate fare is debited automatically.

- Go-To Card is available and can be accepted at all MVTA routes and at regional rail stations and trains. Funds can be added using cash, check, or credit card at your preferred site. The pass can be recharged at any time without it being voided.

- When your trip is over, simply so back on the farebox and the system will deduct the correct amount, and look for important information on Top Stops. Transfers are free when paying in cash. Transfers are built into your fare when paying in cash. Transfers are free when paying in cash.

Persons with Disabilities (Must be pre-qualified)

- Must show valid ID with “SC” must be shown to the driver.
- Children age 5 and under ride free (limit 3 per paid fare)
- Generally, rush hour trips are between 6 a.m.-9 a.m. and 3 p.m.-6 p.m.
- Rush hour fares are extra.

Reading a Schedule

- Refer to Route Number and Letter to ensure you catch the bus for your destination. Read the times across from left to right to see when the bus arrives.

How to Ride

- Call an MVTA Customer Service representative at 952-882-7500 for help. www.mvta.com has full route schedules, maps, and other information on the bus in your area.

- To ensure your trip is on-time, plan your route before you leave your house when necessary.

- When boarding the bus, be respectful of other riders and stay seated while the bus is in motion. No smoking or eating is allowed on the bus. The MVTA does allow drinks on the bus. All MVTA buses have free bike racks to carry two bicycles while customers ride the bus. Passengers should not board at designated stops – meaning riders standing in a line should not board the bus; if the stops are not available for purchase on the bus. When paying in cash, ask the driver for a transfer if you’ll be transferring to / from another service.
