Go-To Card
Go-To Cards offer a flat and convenient way to pay transit fares. The durable, plastic cards make it fast and simple to pay the Go-To Card to the card reader and the appropriate fare is deducted automatically.

Go-To Cards are rechargeable and are accepted on all MVTA routes and all regular city and town buses. Funds can be added to your Go-To Card online or over the phone through Transline at 612-373-3335.

Call an MVTA Customer Service representative at 952-882-7800 to book trip information, to get real-time schedule maps and other information, or to use the online trip planner.

1) Arrive at your stop or station 7-10 minutes early.
2) Most of the suburban MVTA service area does not have designated maps – traveling riders standing in a safe location should raise their hand to signal the driver at the bus stop.
3) Designated stops have stop locations indicated in the schedule. Consult the schedule for stop information or contact MVTA Customer Service.
4) Pay the full fare when boarding the bus (pay when exiting the bus). Drivers do not have access to change
5) While on the bus, be respectful of other riders and stay seated while the bus is in motion. Smoking or eating is allowed on the bus. The MVTA does not drink on the buses, as this limits the driver’s control.
6) If talking on a cell phone, please use a quiet voice and keep your conversation short as possible.
7) In order to enter the bus at the appropriate location, listen for the driver to announce major stops. Stopping at unscheduled stops may postpone the bus connections with other routes. To signal the driver, roll your window down and raise your hand.
8) MVTA does not have SMTA buses to routes in this schedule for all bus stop locations.
9) On departing buses, be respectful of the driver and stay seated while the bus is in motion. Smoking or eating is allowed on the bus.
